vROOM Lounge

The vROOM is situated at the top floor of the reception building. The maximum capacity is 84 people. This penthouse recently received a total make-over. The architect's starting point for the Vrooom Lounge was to create a comfortable and practical room that would meet the expectations of VIPs who are no longer so easily impressed. An additional asset is the terrace that offers an exclusive panoramic view over the race track! Will you vROOM with us?

Start- and finish lounge

"It's time to warm up your vocal cords!"

As the name implies: this lounge offers you an amazing view over the start & finish. This lounge is located closest to the race track. You will taste, smell and hear the tension of the pilots waiting at the start and you will have the privilege to see them finish their race! You will also be offered a unique view behind the scenes: cars entering, pilots preparing themselves and mechanics at work. Inside or outside? It is entirely up to you: above the lounge you will find an amazing roof terrace. It is time to warm up your vocal cords!
